

Sing to the Lord a new song; sing to the Lord, all the earth.

- Psalm 96

Do you enjoy singing and learning new music? The Summer Institute of Church Music is looking for singers to join in its chorister program. Over the course of a week, you will have the opportunity to learn choral music that would be suitable for a variety of choirs taken from across the spectrum of stylistic periods, including the 21st Century.

Rehearsals begin Sunday afternoon and evening, then again Monday, Tuesday and Wednesday evenings, leading up to our concert on Thursday evening at St. George's Anglican Church in Oshawa.

Directed by this year's choral instructor, Dr. Evelyn Grieger, the SICM choir promises to be another enjoyable and educational experience.

"My first session with SICM this summer was fantastic. As a chorister, I was able to participate in putting together a wonderful program for performance with an inspiring director and other great singers. I'll be back!"

Evelyn Grieger

Evelyn Grieger, choral instructor, holds degrees from the University of Lethbridge, the University of Alberta and the University of Illinois, Urbana-Champaign. Dr. Grieger has taught at a number of post-secondary

institutions in Alberta and Illinois. Her vast conducting experience includes many choirs at these institutions, as well as a number of community and church choirs.

In the mid-1990s Dr. Grieger was the Choral Artist-in-Residence with the Saskatchewan Choral Federation, where she acted as a choral resource and presented a variety of workshops for school choirs, church choirs, community choirs, and their conductors. While working with the Saskatchewan Choral Federation, she developed and taught the pilot year of a Choral Directors Training Course for conductors who had not received formal choral conducting training. In the mid-2000's she served a 2-year term on the Board of Directors for the Alberta Choral Federation.

In addition to being the Minister of Music at First Baptist Church, Edmonton, she teaches undergraduate conducting at The King's University. This year she has been busy filling in as conductor to The King's University Concert Choir and Community Choir. Evelyn also keeps busy presenting choral workshops with all kinds of choirs (community, church, school) and guest conducting in and around Edmonton and beyond. A current interest is identifying and gathering together church choirs from the Edmonton area for workshops, collaboration, and encouragement.
